WITH US**

Good morning, and welcome to Green Lake Calvary Church! We are a church family joyfully and humbly seeking the Lord and His will together! Thank you for worshipping with us this morning.

What we are doing here today may seem a little strange to the world around us. Our time together includes singing songs to Someone we cannot see and reading a book which is thousands of years old. That's probably the world's perspective.

On the other hand, we know we sing songs of praise and worship to the one who is our Creator, Sustainer, Risen Savior and the Lover of our Souls! And He is here with us. We also take time to read and learn from His very Words which are living, powerful, and life changing. We find hope, wisdom, truth, comfort, and direction for our lives in God's Word, the Bible.

This morning, I pray everyone here will meet God in worship and in His Word!

Thanking God for you,
Pastor Mark
