SERMON SERIES: Core Values

MESSAGE: *We are Intentional*

Matthew 9:36-38

**TO
CONNECT
WITH US**

Good morning, and welcome to Green Lake Calvary Church! This morning if you are a guest here at GLCC, we welcome you with open arms! We all need family!

What a challenging time we live in! Our battles in life may have left us tired and in need of refreshment. As we gather, we find great hope in the fact God is still on His throne and is in control even when our world seems to be falling apart. I pray your time with us and our Sovereign, Compassionate Lord will leave you encouraged and ready to face the world as you leave this place.

This morning we conclude our series on our “Core Values.” Before Christ left this world, He provided for us a clear mission to “Go and make disciples.” This mission requires we be **intentional** about what we do and how we do what we do. This morning we will look at what it takes to be intentional in the harvest fields.

Before we begin, take a few minutes this morning to prepare your hearts to receive from the Lord, but also to give to the Lord. The One who gives us new life, a new identity, and a new unity is worthy of all we can give Him today.

I am honored to be your pastor and walk this journey with you!

With Christ’s love,
Pastor Mark

Thank you church family for your prayers, encouragement, cards, gifts and love following the recent home going of our mother. The Lord is surely good.

Clark & Deb Perry
