**CONNECT WITH US**

Good morning and welcome to Green Lake Calvary Church! We have been experiencing some **beautiful** fall weather....and a little rain. The **beauty** of the slowly changing trees, the sunsets, and the skies are only part of the reason I love Fall so much!

Today we come for another **beautiful** experience-worship! In the Bible we read of a woman named Mary of Bethany who came to worship Jesus by pouring out a bottle of perfume upon the Savior. Although the disciples thought it a waste, Jesus saw her worship as something “**beautiful.**” In contrast Jesus saw the Pharisees as those who were “**beautiful**” on the outside but ugly with hypocrisy on the inside.

This morning as we come, may the Lord see our heartfelt worship as something akin to Mary’s **beautiful** worship, regardless of how good we can sing.

I am thankful for you and the confidence that God is making something **beautiful** out of us, His body and bride. As we allow Him to refine us, He will form in us a purity of gold He finds as **beautiful** as Mary’s worship.

Christ’s Servant and Yours,  
Pastor Mark

**CONGREGATIONAL  
MEETING &  
VOTE**

**TODAY!** Please plan on staying for a congregational meeting & vote following the service. We will vote to purchase the home directly East of the church for \$360,000 including money for updates. The monies will come from gifts that church family members already committed to this end. This will **not** impact our yearly budget or savings toward our Generations of Grace building program.

## CULTURE ENGAGEMENT MONTH

### Event 1

On Sunday, October 6th & 13th at 5:30pm, Pastor Mark will address the topic of *The Christian and Politics*. As Christians we live in a fallen world as ambassadors and Salt & Light representing Christ's Kingdom. So how do we engage the culture around us when it comes to issues like politics and media? Please join us and bring a friend.

### Event 2

## NO FILTER: EXPOSING DIGITAL RISKS, FILTER: CREATING DIGITAL TRUST

A CONFERENCE FOR STUDENTS (GRADES 6-12) AND PARENTS WITH KIDS OF ALL AGES

With technology touching all parts of our lives, the digital landscape can bring pitfalls, surprises, and unexpected struggles for the whole family. We want to equip families with information about our brain and behaviors, while also providing tools to safely navigate these digital spaces. Join us for NO FILTER: Exposing Digital Risks, Creating Digital Trust – a conference for students and parents with kids of all ages, where we will explore ways of approaching technology that foster life, good communication, and healthy relationships! *Childcare is not provided. Adults & students (Grades 6-12) are welcome to attend.*
